test successful

The fact that you are reading this page means that the download was successful. Try the following steps to make sure everything else is working properly.

1. Save the Test file by clicking the "save" button in the Adobe Reader (**not** your browser's save button) and save the file in a spare folder.
2. Print the Test file by clicking the "print" button in the Adobe Reader (**not** your browser's print button)
3. Verify the internal links within the Test file are working properly by [clicking here](#) (you should jump to the front cover picture on page 4)
4. To verify the Internet links are working properly, try the Adobe Reader [support page](#).
5. Go to the folder where you saved a copy of this file (step 1) and open the file. This should launch the Adobe Reader in stand-alone mode (i.e. **not** within your browser) for offline viewing.
6. For troubleshooting problems please go to the Adobe Reader [support page](#). I'm afraid we cannot troubleshoot individual problems with using the PDFs but the Adobe article should sort out most issues.
7. To buy the Digital Edition of Quick Meals from The Curry House [click here](#).

Quick Meals from The Curry House

Recipe Format

The recipes in the Digital Edition of Quick Meals from The Curry House are formatted in exactly the same style as this example. Every recipe is illustrated with a picture just like the one on the following page.

Each recipe has a short introduction which gives you some history or background on the dish in question.

ingredients

1 computer

Internet connection

Adobe Reader

Digital Edition of Quick Meals from The
Curry House

Save the Test file by clicking the "save" button in the Adobe Reader (not your browser's save button) and save the file in a spare folder.

Print the Test file by clicking the "print" button in the Adobe Reader (not your browser's print button)

Go to the folder where you saved a copy of this file (step 1) and open the file. This should launch the Adobe Reader in stand-alone mode (i.e. not within your browser) for offline viewing.

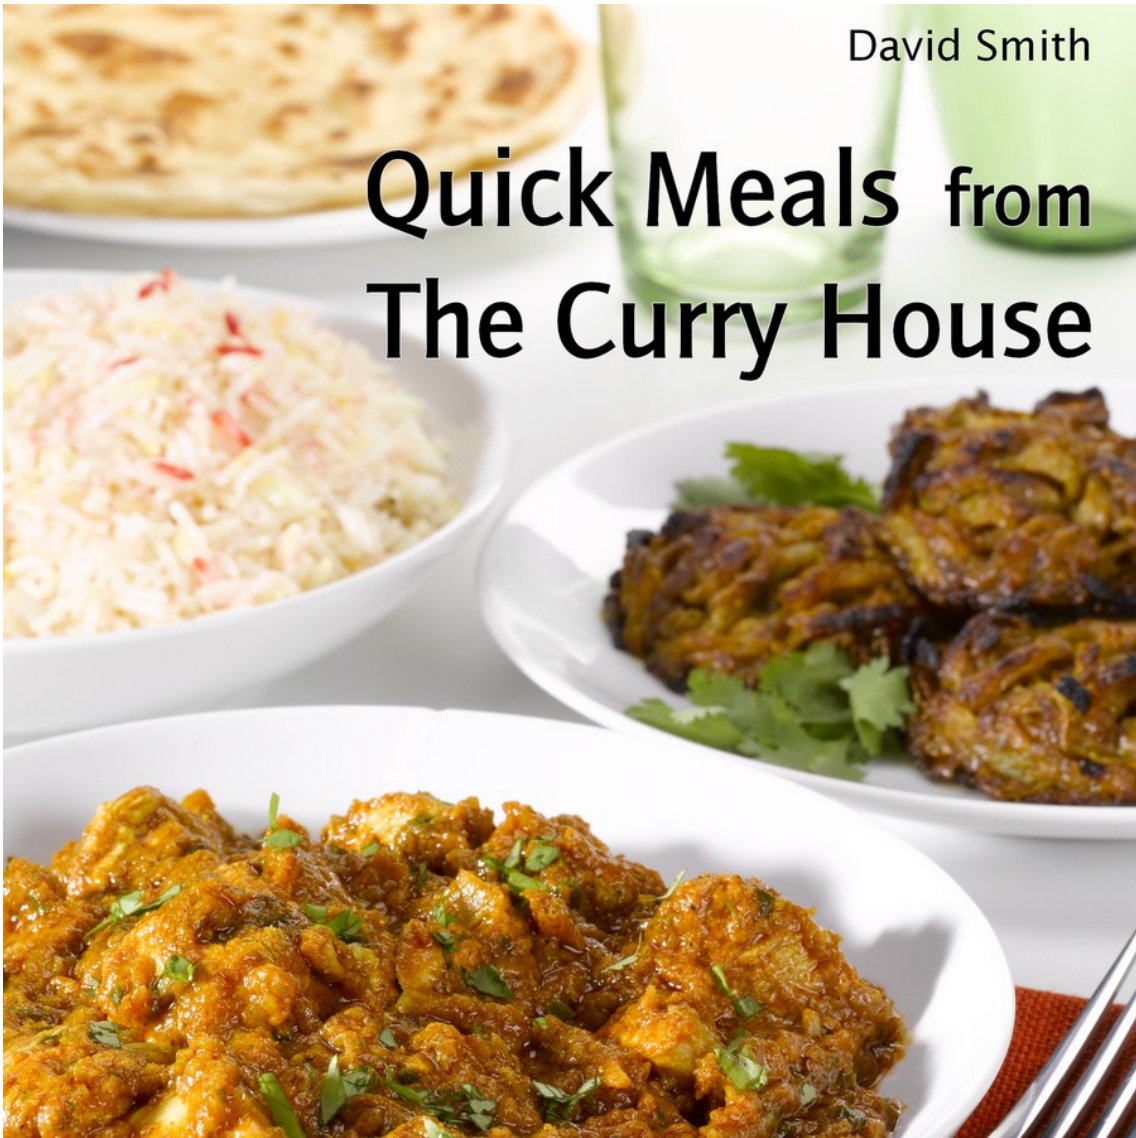

For troubleshooting problems please go to the Adobe Reader support page. I'm afraid we cannot troubleshoot individual problems with using the PDFs but the Adobe article should sort out most issues.
